ATTENTION: YOU HAVE BEEN SELECTED FOR VERIFICATION

V4 FAFSA Verification Applicant,

The U.S. Department of Education selects certain FAFSA applicants to complete a specific verification process. This process includes the requirement that the applicant completes an Identity and Statement of Educational Purpose.

On the reverse side of this sheet the requirements are detailed. You will have to provide the Office of Financial Aid photo identification in our office prior to your enrollment, and will be required to sign the Statement of Educational Purpose in the presence of an institutional official within the Office of Financial Aid. If required due to your location, you may sign the Statement of Educational Purpose in the presence have of a Notary in lieu of making an appointment with the Office of Financial Aid, and return the notarized form and copy of your photo identification.

Please know the College is required to collect this information and in no way does the College determine which applicants must complete this process. Please feel free to contact our office if you have any questions regarding these requirements.
